2017 Happy New Year

January 6, 2017

---

## **Camborne, ON – New Year - 2017**

We hope you have had a wonderful holiday season! Now, it is January and that time when many of us reassess our busy lives and recent accomplishments and think about what our goals are in the year ahead.

The Township will be sending out a review of our 2016 Strategic Plan and operational accomplishments in an upcoming flyer. However, we are pleased to advise you of the results of the recent annual inspection at the Creighton Heights Municipal Drinking Water System.

The Ministry of the Environment and Climate Change (MOECC) conducts annual inspections of the Drinking Water Systems across the Province. The 2016/17 Inspection for Creighton Heights took place on November 16, 2016. The main purpose of the inspection is to confirm that the Drinking Water System is in compliance with MOECC legislation and in conformance with the drinking water guidelines and policies during the inspection period.

Quality drinking water is important to Council and staff of the municipality and we have systems and procedures in place to achieve this. The Creighton Heights Drinking Water System received a final Inspection Rating of 100% for the 2016/17.

If you would like any further information on the Inspection Report please contact Carolyn Wilcox, Water Operations Manager, (905) 342-2810 ext 118 or by email at [cwilcox@hamiltontownship.ca](mailto:cwilcox@hamiltontownship.ca)

We would like to thank our Water Department in assisting with this detailed process.

Again, the Township will be sending out a review of our 2016 Accomplishments in an upcoming flyer and we are looking forward to 2017.
