## *Earth Hour*

March 24, 2017

Camborne, ON – **Earth Hour March 25, 2017 8:30 – 9:30 pm**

Hamilton Township supports 60+ Earth Hour and asks you be a part of the global phenomenon.

WWF (World Wild Fund for Nature) Earth Hour shows us how each of us can be heroes for our planet and our home. Our actions today can change our tomorrow – together.

Every year, hundreds of millions of people around the world switch off their lights for one designated hour to demonstrate a commitment to fighting climate change.

This year, **Earth Hour takes place at 8:30 p.m. local time on March 25.** By going dark, local government, cities, companies, landmarks, and individuals send the message that we will remain steadfast as we deliver on the goals of the [Paris Climate Agreement](#).

The world is looking toward to a renewable future. This Earth Hour, turn up the dark and get loud about climate action. Let the world know you're all in.

**Uniting people to protect the planet.**
