## Office Beautification

September 29, 2017

Camborne, ON – Hamilton Township Office Beautification

Fall is just around the corner and we would like to say thank you to [Mark's Greenhouse](#), one of our local businesses, for supplying two colourful planters at the entrance of our building this past summer. This addition makes a pleasant access for many of our taxpayers and visitors who frequent our building. Here are a couple of pictures, in case you have not had the opportunity to see them recently.

For the last two years, we have been contacting locally operated nurseries/garden centres about a partnership to supply two planters for the front of our building. We have a listing of all Garden Centre businesses in our Township and have contacted them alphabetically to supply some beautification to the front of our building.

As noted above, this year [Mark's Greenhouse](#) who operates their business at 1424 Ontario Street was the business who supplied our planters. Last year, [Baltimore Valley Garden Centre](#), 5599 County Road #45 supplied the decorative flowers, which were also very beautiful.

Reminder to shop locally and support Hamilton Township businesses!
