Township Celebrates 2<sup>nd</sup> Year Safety Anniversary

August 18, 2017

Camborne, ON – Township Celebrates 2<sup>nd</sup> Year Safety Anniversary.

August 17, 2017 is the second year anniversary with no lost time due to an accident for Township Employees. This represents a very significant milestone for us.

Over the last two years, the Township has been focussed on achieving our strategic and operational business goals and maintaining the safety of all our employees. The safety of our employees is important and this reflects an awareness of employees and management - through training, safety briefings, pre-job meetings and a commitment of employees and colleagues - to work together, work smart and work safe.

We are very happy that our employees can go home safely to their families at the end of the day. This achievement is also recognized, and rewarded, by the Workplace Safety and Insurance Board through reduced premiums.

This week we are celebrating our safety record and all of the effort each and every worker makes for safety. We are now looking to the future and carrying on with our commitment to safety!

Congratulations to our employees and volunteer firefighters!
