2018 Special Budget Meeting

December 1, 2017

Camborne, ON – 2018 Special Budget Meeting- December 7, 2017 at 1:30pm

One of our strategic directions is to manage the responsible and transparent use of resources to ensure the long term prosperity of the Township.

We are making very positive progress on the preparation of a 2018 Draft Budget. The next step in this process is to bring the results of the discussions to date, in a special Budget Meeting of Council on **Thursday, December 7, 2017.**

Last year, we were able to present a draft Budget to Council in December for approval. Our plan is to undertake this process again, and present a Draft Budget to Council to be passed in December. This will enable us to move forward with all the upcoming projects earlier in the year in 2018. For example, staff will be able to prepare and publish tenders early for many of these proposed projects which could have an enormous impact on the cost to perform the work.

Should you wish to hear the presentations and discussions, please feel free to attend.

The meeting is scheduled to start at 1:30 pm.
