## Fire Camp

July 28, 2017

### Camborne, ON – Fire Camp

Hamilton Township Fire Department is pleased to announce the introduction of our Junior Firefighter Camp this summer.

We had a very successful first week July 17-21, 2017 with full enrollment. Currently, we have a handful of openings left for our second offering August 14- 18, 2017. Space is limited to 20 campers to encourage participants to work together instilling sportsmanship, leadership, team spirit and a positive sense of self esteem.

The focus of our day camp is providing hands on experience on a variety of fire and life safety skills and topic. An age appropriate curriculum has been developed by our Ontario Certified Fire Prevention Officer/ Registered Early Childhood Educator.

Training topics include: Hands on portable fire extinguisher training, Kitchen and safe cooking which also gives the children the ability to create healthy snacks as one of our activities. We use the Cobourg Fire Department Fire Safety trailer to implement Home Fire Escape scenarios and focus on the importance of fire escape planning, and calling 911. Our Medical Officer implements a First Aid/CPR awareness class with our campers and he explains the importance of early intervention during a medical emergency.

Drop off and Pick up for the children takes place at the Baltimore Community Centre. We are extremely lucky to have access to the entire facility at the community centre allowing the children to participate in organized games on the indoor turf, free time on playground and ball diamonds. Crafts and a variety of games are provided and have been created to coincide with the fire safety theme.
