Waste Reduction Week

October 20, 2017

Camborne, ON – Waste Reduction Week

Waste Reduction Week in Canada is a national environmental campaign that builds awareness around issues of sustainable and responsible consumption and encourages choice for more environmentally responsible products/services. It also helps to promote actions that divert more waste from disposal and conserve natural resources and Hamilton Township would like to join Northumberland County to acknowledge and promote it.

Please find a couple of links that help provide more information.
