

Travels with the Monarch

An Illustrated Presentation by
Don Davis

Don Davis first tagged monarchs in 1967, and been a "citizen scientist" continuously since 1985. Don will describe how WBFN members were important early supporters of this research. He will summarize monarch biology, current issues, and how you can participate in monarch conservation and research.

FRIDAY, November 30th, 2018

Doors open at 7:00 meeting starts 7:30 PM

COBOURG Public Library

200 Ontario Street, COBOURG, ON
