Rural Transportation Service for Hamilton Township

Last fall Community Care Northumberland expanded its Specialized Transportation services into Hamilton Township to run each Wednesday from 8:30 am to 5:00 pm. This expanded **Rural Service** is open to families, youth, seniors or adults who need affordable transportation **within Northumberland County** to attend appointments; work; school; social and recreational activities and shopping.

There is an established schedule of pick up/drop off sites (similar to a bus service). Potential riders must register as a client with CCN and provide 24 hours notice to book their seat (subject to seat availability). The cost to riders is \$5.00 one way from Hamilton Township to Cobourg or Port Hope. **To register and book a ride contact 1-866-768-7778.**

For more information on how to use the Specialized Transportation service and other services of Community Care Northumberland contact our website – www.commcare.ca
