1. AUTHORITY

On March 18, 2014, Council of the Township of Hamilton adopted By-law Number 2014-13 authorizing the use of an alternative voting method, that being the Telephone/Internet Voting method in Hamilton Township.

The Municipal Elections Act, more specifically Subsection 42(3), states as follows:

Procedures and forms

- (3) The Municipal Clerk shall,
- (a) establish procedures and forms for the use of,
 - (i) any voting and vote-counting equipment authorized by by-law, and
 - (ii) any alternative voting method authorized by by-law; and
 - (b) provide a copy of the procedures and forms to each candidate when his or her nomination is filed. 2009, c. 33, Sched. 21, s. 8 (22); 2016, c. 15, s. 31 (3).

Subsection 42(4), states that the Municipal Clerk shall provide the procedures and forms on or before December 31 in the year before the year of the election.

Subsection 42(4), states that the procedures and forms established by the Municipal Clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

In addition, the Council of The Township of Hamilton has adopted By-law Number 2017-58 on December 19, 2017, being a by-law to enter into an agreement with Intelivote Systems Inc. for Telephone/Internet Voting service for the 2018 Municipal & School Board Elections.

Subsection 11(2) of the *Municipal Elections Act* states that the Municipal Clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

- a) preparing for the election;
 - b) preparing for and conducting a recount in the election;
 - c) maintaining peace and order in connection with the election;
- and

- d) in a regular election, preparing and submitting the report described in subsection 12.1 (2). 1996, c. 32, Sched., s. 11 (2); 2009, c. 33, Sched. 21, s. 8 (7).

With respect to the duties and authority of a Municipal Clerk, the *Municipal Elections Act* further states as follows:

- 12(1) A Municipal Clerk who is responsible for conducting an election may provide for any matter or procedure that,
 - (a) is not otherwise provided for in an Act or regulation; and
 - (b) in the Municipal Clerk's opinion, is necessary or desirable for conducting the election.

- 12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.

- 12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications, including citizenship or residency, or of any other matter.

- 13(1) Any notice or other information that this Act requires the Municipal Clerk to give shall be given in a form and manner and at a time that the Municipal Clerk considers adequate to give reasonable notice or to convey the information, as the case may be.

- 13(2) The Municipal Clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies and the purpose for the use of the alternative voting being Telephone and Internet Voting was to eliminate the requirement for proxies, and By-law Number 2017-58 of The Township of Hamilton is silent on these issues and therefore voting proxies are not applicable.

With respect to proxies, a person cannot give his or her Voter Information Letter to another eligible elector or other individual for the purpose of voting. Acceptance of a Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provision under the *Municipal Elections Act*.

The *Municipal Elections Act*, more specifically Section 53, also provides that the Municipal Clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election being conducted in accordance with this Act and provides the authority to the Municipal Clerk to make arrangements for the proper conduct of the election. Any arrangements made by the Municipal Clerk, if they are consistent with the principles of the *Municipal Elections Act*, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as Municipal Clerk of The Township of Hamilton and Returning Officer for the 2018 Municipal & School Board Elections, I do hereby certify and approve the following procedures for conducting the 2018 Municipal & School Board Elections and also establish that the attached forms are the forms permitted to be used during this election process.

 - b. Voting will commence at 10:00 a.m. on Monday, October 15, 2018.
2. Prior to the Intelivote Systems Inc. activation, being on October 15, 2018, the auditor or other authorized election official will generate the confirmation report that contains all candidate names running for an office through the Intelivote Systems Inc. eVoting system by secure ID and password. The report displays in real time the sum total of votes cast for each candidate running for an office. The timing of this report activity ensures that all totals for all candidates, confirms zero (0) votes before the electronic election begins.

The eVote will be activated unless any of the counts associated with the candidate names do not indicate a zero total, and unless directed otherwise by an election official.

3. The Intelivote Systems Inc. will make available online a list to the Municipal Clerk (and any other appropriate individuals of The Township of Hamilton), of all voters' list individuals by order of polling subdivisions, who have voted during the voting period if such an event has taken place. This capability does not provide the candidate or their designate information on *how* a voter has voted, only if they *have* voted in the election. A voter who has voted at least one race during an election is considered a participant.
5. Candidates or their scrutineers may view this information any time after the start time of the election.
6. Where a voter is associated with multiple properties within The Township of Hamilton, the voter may vote only **once**. The qualifying address to determine eligibility for voting shall be the place of residence of the voter. All duplication of names on the Preliminary List of Electors shall be verified by the Municipal Clerk and/or election official(s), and all duplicate names of individuals shall be deleted prior to the final preparation of the voters' list. Should a voter receive more than one Voter Information Letter, the voter may only vote **once** and must return the other Document(s) to the Municipal Administration Office. All voters that vote more than once or who improperly use the Voter Information Letter shall be reported to the Ontario Provincial Police for further investigation as to possible corrupt practices under the *Municipal Elections Act, 1996*.
7. Should a Voter Information Letter be returned to the Municipal Administration Office unopened, the PIN status will be disabled by an election official in a manner that prevents the PIN from being successfully validated in the voting process. 8. Should a Voter Information Letter be returned to the Municipal Administration Office that has been opened but has not been used for voting purposes, the PIN

 - e. those persons whose PIN on the Letters were set to a status that prevented them from being validated in the voting process.
 - f. Where an eligible voter has attempted to validate his or her PIN and they have determined that the PIN has already been used, the voter can attend the location determined by the Municipal Clerk, bringing required identification and have an election official confirm that the PIN has been used by an impersonator.
 - g. Prior to authorizing the re-issuance of a new Voter Information Letter which contains a new PIN, the voter shall be required to respond and answer any and all questions from the election official. The election official shall document, to his or her satisfaction, questions and answers of the voter and, if deemed appropriate, the Municipal Clerk shall submit same to the Ontario Provincial Police for further investigation and prosecution.
 - h. If the election official believes that all questions have been answered truthfully and to his or her satisfaction, the election official may authorize the provision of a new Voter Information Letter which contains a new PIN or, at the discretion of the election official the elector will be required to make a declaration as to his or her statement and take an oath which shall be given by the election official. A copy of this declaration shall also be submitted to the Ontario Provincial Police should further questioning be required in order to ascertain if corrupt practices have occurred. The elector will be required to assist and cooperate in the investigation in determining the individual(s) who has fraudulently used the voter's assigned PIN.
 - i. Once the voter has properly answered all questions and if required, taken the prescribed oath, a new Voter Information Letter containing a new PIN can be issued.
 - j. Where an eligible voter has received an incorrect Voter PIN in terms of school support association, the voter can contact a Voter Help Centre(s) and have the proper information applied to the existing PIN. The voter may re-access the system and vote all races not yet completed.

- k. The eligible voter shall be able to re-enter the system at any time during the election using the existing PIN or the re-categorized PIN until voting for all races has been completed.
- l. New PIN(s) shall not be given out over the telephone or by mail without the expressed approval of the Municipal Clerk or their designate.
