Camborne, ON – Video / Audio Recording

Did you miss attending the Township Council Committee of the Whole or Committee of Adjustment Meetings earlier this week?

We can help.

This week, we have made changes to our website and posted the audio and video recording of the meetings, including the view of the presentation material.

The videos are being stored on-line for approximately a month and will be refreshed with the next series of meetings.

This new initiative delivers on Council's commitment in our Strategic Plan for "Effective Governance and Management of the Organization" through access to information and discussions at Council meetings, on our website. As we gain experience with this new technology, we will be making improvements to our approach.

To see the videos, please visit our website at: <http://www.hamiltontownship.ca/content/audio-video-recordings>.
